

4-high frontload Dairytainer – for one touch logistics and merchandising

Robust both in logistics and merchandising, the Dairytainer will wheel the goods through the entire supply chain from the filling machine to the store – the customer is the only person to touch the products!

Frontload dairytainers excel in a semi and fully automated environment and exist in different heights and widths.

Designed for following uses and industries:

Key benefits

- ✓ Fast replenishment
- ✓ Ready-to-sell
- ✓ Universal display – can be used for various packages
- ✓ Easy and safe to handle
- ✓ Easy to wash and maintain
- ✓ Suitable for automation
