

Electronic Waste Cage – foldable for efficient return logistics

The de facto standard in Scandinavia, K. Hartwall's foldable electronic waste cage is ready for automating your waste handling processes. It has no loose parts for reliability, ease of handling and low total cost of ownership. The fact that it's foldable, means efficiency in return logistics.

Like with all K. Hartwall folding cages, Electronic Waste Cage is efficient in return logistics as well as durable, ergonomic and safe in use.

Designed for following uses and industries:

Key benefits

- ✓ Efficient return logistics
- ✓ Low total cost of ownership
- ✓ Automation ready

Technical specifications

External dimensions	1591 x 1191 x 1200 mm
Internal dimensions	1521 x 1100 x 1073 mm
Unit tare weight	102 kg
Safe working load	500 kg
Loaded units / 13,5m trailer	32
Nested units / 13,5m trailer	192
Height when nested	235 mm
Stacking loaded units during transport	2 units
Stacking loaded units in storage	4 units
Max load on the lowest container	1500 kg
Finish	Zinc electroplated
