

# Mini Dolly – agility and ease of handling for POS use

The Mini Dolly is a perfect match for small sales units such as convenience stores or petrol stations. It offers good load capacity and stability in a very small footprint and can be easily rolled into the point of sales for fast product replenishment.

Like with all K. Hartwall dollies, Mini Dolly offers one-touch logistics and is ready for display locking. Mini Dolly is also suitable for multiple uses and various transportation systems for a long life-span and low total cost of ownership.
