

We are looking for a competent logistics professional for the role of

Head of Global Logistics

In this position you have a key role in leading and development of a newly established organization to implement the strategic direction of transportation & warehousing for K.Hartwall on global scale. You will develop processes, standards and operational plans in support of Corporate and Delivery Operations strategy and drive performance and improvements in quality, cost and delivery through continuous improvement. You lead a team of five direct reports globally. This role reports to the Head of Delivery Operations and is a member of the global Delivery Operations Steering Team.

Requirements

- 5+ years of experience in Logistics, Forwarding, Transportation / Supply Chain Management
- Bachelor's degree in Supply Chain, Logistics or a related field or equivalent knowledge
- Wide understanding of global transport and forwarding
- Experience setting up and managing third-party logistics providers, multiple inventory locations and spare parts depots
- Good English is mandatory, and in addition Finnish and/or Swedish. Other languages are meritorious.
- Ability and willingness to travel

We value in-depth knowledge of up-to date import and export procedures including related duty/taxes and other associated costs which compound cost of sale. Along this you possess good understanding of overseas shipping, relevant laws, and administrative processes. As a person you have excellent interpersonal and communication skills as well as high level of drive and enthusiasm and the ability to motivate and inspire both internal and external contacts to achieve excellent performance.

We offer a comprehensive opportunity to lead and develop transportation and warehousing on a global scale and possibility to drive a new service business area and optimize the supply chain in our organization.

Please send your CV and cover letter in English latest by August 30th through the following link: <https://www.mercuriurval.com/fi-fi/opportunity/?jobadid=65901&refno=>.

The position will be filled when the suitable candidate is found. For more information, please contact Head of Delivery Operations Jouni Honkala tel. 050 461 3218 at K.Hartwall or Senior Consultant Marika Mertala tel. +358 40 7088 176 at Mercuri Urval. **Jouni is available on Monday 23rd of August or Monday 30th of August between 14-16.**

K.HARTWALL

Logistics Efficiency through Innovation

K. Hartwall is a privately-owned company founded 1932 in Söderkulla, Finland. Today we bring logistics efficiency through innovation by delivering innovative solutions, including returnable goods carriers, tugger trains and AGV mobile robots.

At K. Hartwall we work closely with our customers around the world and are able to produce measurable benefits through improved logistics flow. Thanks to the efficient global delivery capability K. Hartwall has become the preferred partner to several companies in retail, dairy, beverage, logistics and lean manufacturing.

We strive to create future-fit logistics solutions that answer the needs of our customers and bolsters their industry development. Over the years, we have become specialized in smart logistics solutions for the retail, post and parcel and automotive industries.

K. Hartwall is headquartered in Söderkulla, Finland. We have customers on all 5 continents in more than 65 countries and local sales offices, sales people or agents in 20 countries. The company counts 250 employees and has a turnover of ca 80M€.
